### **PARISH COUNCIL CONSIDERS LEASE OR PURCHASE – YOUR CHANCE TO HAVE YOUR SAY**

Many of you will be aware of the proposal by Cornwall Council to sell the Tintagel Visitor Centre (including the public conveniences which form part of the Centre), to the National Trust. The Trust made it clear that they would close the public conveniences immediately, keeping only one for staff use.

The Parish Council were never fully included in the pre-sale negotiations. On a number of occasions the Parish Council requested that terms and conditions be included within the sale to protect the future of the Centre for the Parish of Tintagel. One particular issue raised by the Parish Council was that the National Trust should be asked to run the Centre broadly along the lines it is now for a minimum period of 10 – 15 years.

The Parish asked to be made aware of the purchase price but were continually told that this was “commercially sensitive” information.

Only in early June were the Parish Council informed of the purchase price and that the terms included the fact that the National Trust would only have to run the Centre along the lines it is now for a period of 3 years. After that time, they would be free to dispose of the building on the open market.

Subsequently, the Parish Council were offered the chance to either lease or purchase the Visitor Centre. For this venture to be a success the support and co-operation of local people and businesses is crucial.

A number of questions regarding the property and its services have now been raised with Cornwall Council and once this information is available, and some costed options have been prepared, a Public Meeting will be held with an opportunity for open discussion. At this meeting a decision will need to be considered on whether the Parish Council proceeds with a lease or purchase or withdraws their interest in favour of the National Trust.

Please watch the Notice Boards for information on the date for this Public Meeting. A separate Newsletter will also be published and will be available in local shops once a date has been sent. // continued .....

If you have any views or opinions regarding this matter which you would like to make to the Parish Council prior to a public meeting being held, please email or write to the Clerk (details on back page of newsletter).

**PUBLIC CONVENIENCE REVIEW**

Cornwall Council is currently reviewing the provision of public conveniences throughout Cornwall. The budget now stands at £2.8m and savings of £1m have to be made over the next four years. There are four Cornwall Council owned toilet facilities in the Parish at the Visitor Centre, Trevena Square, Bossiney and Trebarwith Strand. The future of all four sites will be reviewed. The Parish Council have written to Cornwall Council stressing the importance of all four sites to the parish, its residents and visitors alike.

**USE OF CAR PARK IN TREVENA SQUARE AND SPACES IN VISITOR CENTRE CAR PARK FOR PERMIT HOLDERS**

There is no excuse for not displaying a valid permit if you qualify for one (i.e. your name appears on the Electoral Register for Tintagel). This matter has been the subject of articles in previous editions of the Parish Newsletter and a Permit Application Card will be reproduced regularly in this Parish Newsletter. If you require a new permit, please complete and return the copy of the card below to the Clerk, along with a stamped addressed envelope, and a new permit will be issued. **YOU WILL RECEIVE A FINE IF YOU DO NOT DISPLAY A VALID PERMIT, IF THE PERMIT IS NOT VISIBLE OR IF YOU STAY OVER THE PERMITTED TIME.**

### **TINTAGEL METHODIST CHURCH FETE HELD ON THE 24<sup>TH</sup> JUNE**

The evening of our Church fete. As it was wet and windy, the fete was now held within the adjoining Methodist Church schoolroom. Tables were bursting with cakes, books, plants and bric-a-brac. Tea ladies ready with teapots raised.

A little lady – Penny Mendoza – came to open proceedings. This slim elegant lady of 87 years stood steadfast – her firm voice rising to the occasion. Starting with surety her love of Tintagel, the kindness and friendship she has received from all people of the area – a Christian spirit unlike any other. She stated in a voice filled with emotion that the time has come for her to leave, to live closer to her family. She wished Tintagel and all friends her heartfelt thanks before receiving a beautiful bouquet of flowers.

The crowded room expressed their appreciation and gave her a resounding send-off before buying proceedings commenced.

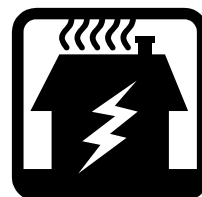

Farewell Penny

## Concessionary Bus Travel Scheme

This brief article is to give readers some information regards the problem we are now facing on concessionary fares in the county. The Government has contributed £7 million annually with Cornwall Council topping it up to £7.4 million. However, the Government have now reduced their grant by £2 million and that leaves Cornwall Council with the problem of how to continue the scheme as broadly as we possibly can. It is the Councils intention that no one should suffer and members are asked to contribute suggestions as to how fairly the new concessionary fare passes can be brought about. I suspect that the ultimate outcome will be that one or two of the very poorly supported bus routes may have to be withdrawn to help balance the books and thus not penalize the users of the concessionary passes.

# TINTAGEL PRIMARY SCHOOL

## End of term celebrations

On Monday 18<sup>th</sup> July the whole school went to Crealy for an end of term celebration. It rained most of the day but failed to dampen the children's enthusiasm or enjoyment of the event! On our return to school our Year 6 leavers were treated to a Bar-B-Q the food for which was kindly donated by Simon and Julie from the Spar, thank you.

Our Year 6 children are spending the day at South Penquite Farm working with Creative Nature. We were fortunate to be able to use Sir Jim's mini buses now that we have staff who have successfully completed their mini bus driving test.

Friday 22<sup>nd</sup> July is our leaver's service, when we formally say goodbye to our Year 6 pupils and present them with their portfolios and dictionary. We are also saying goodbye to Mrs Jane Bradbury who is leaving us to begin training as a vicar, she will be missed.

On behalf of the Governors, I would like to take this opportunity to thank all our teachers, teaching assistants, meal supervisors, office, kitchen and cleaning staff for their relentless dedication, commitment and hard work over the past 12 months. The school will not function without this team!

## ART EXHIBITION

## HELP

Can anybody help me ? I have been asked for information on two persons who are remembered on the Tintagel War Memorial. To date, I have been unable to be of much help.

The men concerned are Lieutenant Colonel Herbert Russel Blyth and Major Herbert Joseph Cotton. Is there anybody in the village who has any knowledge of these men and their connection with the area. Both these men were killed in the First World War.

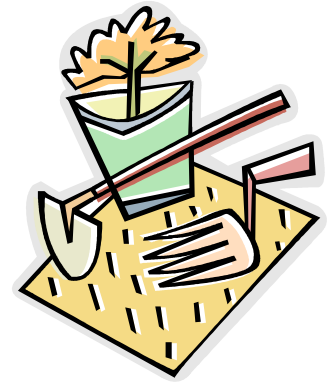

Any help would be appreciated, please contact me if you can.

## TINTAGEL GARDEN CLUB

Our annual plant sale took place at the end of May; members produced an abundance of high quality herbaceous and vegetable material, together with supporting stalls of books, bric-a-brac, tombola, and an enticing assortment of home produce, plus the ever popular cream teas.

The Committee are sincerely grateful to all our local residents for their continued support - the proceeds will allow us to invite talented speakers, and continue to donate to chosen charities. Unsold items were passed onto the local hospice shop, and plants to Val and Jim Cowen, at Camelford, in support of their fund raising for the Merlin project; nothing was wasted.

In June we visited John Mann's Higher Truscott gardens, famous for their vast collection of Hellebores, however, besides these, the gardens are filled with a wide mix of cottage garden plants and their more exotic cousins. The shrubs provide variations on size and colour, with the many mature trees making an impressive backdrop, including oak trees planted by John's daughters more than 40 years ago.

As John entertained us, with his dry sense of humour, and his tales of gardening through the years, he generously gave away cutting material on request. The rain did not spoil our enjoyment of this special garden - while the sun appeared as we assembled for refreshments in the conservatory, and dazzled us on our journey home to Tintagel!

The summer programme concluded with a Garden Safari - eight very different gardens belonging to members, ending at Devana Lodge; here we enjoyed an appetising spread of refreshments provided by Diana Mills, Alec Lucking and others; the chatter and socialising could be heard long after the sun had gone down.

Our next meetings -

Friday 16 September - Tracy Wilson - Behind the Scenes at Chelsea

Saturday 8 October - Trethorne Dinner

Friday 21 October – Peter Lavis – The Lost Gardeners (of Helligan)

## Old Post Office news

We are all very busy here at the Old Post Office preparing for the summer holidays and have some great events lined up for all the family. The warm weather has meant that the garden is looking beautiful, everything is blooming and it offers a lovely tranquil setting to enjoy your lunch.

**National  
Trust**

Every Wednesday during the school holidays, between 11am-4pm, we have kid's activities in the back garden, no matter the weather we will be here to entertain with a variety of events. Our rag rug volunteers are always popular with our visitors and they will be here twice over the summer making beautiful rugs out of recycled materials. The dates are 27<sup>th</sup> July and 17<sup>th</sup> August. On Wednesday 3<sup>rd</sup> August we are inviting you all to go wild! Kid's are welcome to explore our back garden using bug spotting kits and learn how to grow their own salads in homemade plant pots. Wednesday 10<sup>th</sup> August offers children the chance to play post office, design their own postcard and stamp then make a post box to use as a money holder. Paints will be out so prepare to get messy! Another favourite activity is our badge and magnet maker. Visitors of all ages are welcome on Wednesday 24<sup>th</sup> August to design their own badge or magnet and show it off proudly around the village. All of the workshops are free but normal admission prices do apply. We are offering 1 free child's admission with the voucher below, come along and join in the fun.

3PM - LATE @ TINTAGEL MEMORIAL PLAYING FIELDS  
TINTAGEL'S PREMIER MUSIC FESTIVAL

**Floodlights for Tintagel Tennis Club**  
**Tintagel Memorial Playing Fields, Bossiney Road,**  
**Tintagel.**

Two of Tintagel Tennis clubs all weather courts are now floodlit! The floodlights are low level so as not to cause light pollution. The floodlights can be used between 8am and 10pm; tokens for the lights can be bought from Tintagel Visitor Centre where the courts can also be hired.

The grant to install the lights was from The Foundation for Sport and the Arts, who also funded the building of the courts in 1994-5. It is sad that this was one of the charities last projects as it has now been wound up.

The club celebrated on April 11th with a special mini and junior coaching open afternoon, the club coaches were helped by Georgina Loosemore, The Devon and Cornwall Tennis Development Manager. This was followed by a BBQ with ale donated by Tintagel Brewery. Then followed a mix and match doubles friendly tournament, these are run once a month by the club and all are welcome to join in.

Mini tennis red coaching sessions are now held on Tuesday afternoons 4.30pm and 5.15pm. Club nights are Mondays 6.30pm and adult and junior 11 and over club night is on Wednesdays 6.30pm.

All are welcome to play at the Club either as members or to just pay and play. Full membership entitles you to play any time the courts are not being used and for adults to own a key. Mini membership is available for 10 years and under, parents can collect the key from the Visitor Centre and practise with their child for £12 per year.

For details of coaching or membership prices visit our web site [www.tintageltennis.net](http://www.tintageltennis.net), contact Barbara Bruce on 01840770893 or call in at the Tintagel Visitor Centre.

The Club now welcomes two new level 1 LTA coaches to the team, Frank Page and George Murray and look forward to expanding the coaching programme. The tennis courts are not maintained by the Council, the Club has the job of raising all the funds for upkeep and regeneration.

## TINTAGEL SURF LIFE SAVING CLUB

Tintagel Surf Life Saving Club is having a busy summer. Following the success of several seniors, parents & juniors in passing their resuscitation awards the Nippers have been taking their Dolphin award which enables them to compete at Cornish competitions. Training has started for those wanting to take their beach lifeguard awards.

There was great excitement at a recent Nipper night when on a calm day at high tide they swam round to Lill Cove to jump & dive off the rocks. For over 20 minutes they were joined by a seal who was obviously curious as to what this group of wetsuited children & helpers were doing in his environment!!

On July 3rd a group of older clubbies took advantage of an out-going tide & paddled from Wadebridge to Rock on a fabulous day. Once at the beach, an energetic game of beach volleyball was followed by a well earned barbeque lunch before using the push of the incoming tide to paddle back to Wadebridge.

The club has just taken delivery of a new 'inflatable' rescue board (yes it's hard to believe but you can fold it up to store it & then just blow it up!). Tried by lifeguards in Hawaii it is meant to be near indestructible & is already proving a success, infact on its first outing our club captain used it for a rescue at Trebarwith.

The Nippers raised an amazing £701 for Club Funds at this year's Sponsored Swim held at Camelford Leisure Centre.

At the recent AGM of Surf Life Saving GB Tintagel Club Chairman Les Freke was presented with an award for his services to 'lifesaving at community level' in the Cornish Region. Les, who has been a member of the Tintagel Club since 1974 said 'it was a pleasure to be a part of such a great community club.'

## TINTAGEL SURF LIFE SAVING CLUB, continued .../

*An article from one of our "Nippers" .....*

Since I have been in surf club and Les and all of the helpers at surf club have made it fun and safe. One of the best nights for me was when the tide was in and we all got split up into 4 groups based on ability.

Some of the groups walked over to Lill and the other more advanced groups swam. Luckily I got put in one of the more advanced groups. We set off from the gully and swam over to life-guards rock, when we found a place to get up, we got to jump and that was fun!

Then we swam over to big rock near Lill and there was 2 ledges, one very high and one not so high. Nearly all of the nippers jumped off... I tried to get my friend to jump off but he was not having it, I dont blame him because there are not many people that would do that. The only way that I managed to jump off was to just shut my eyes and jump off.

I better get used to it because the summer hols are nearly here and I cant wait for the endless summer x x x

### OUR PARISH NEWSLETTER

The Newsletter is prepared by the Parish Council. For the time being, it is hoped to fund printing of the newsletter without the need for selling advertising space. The Parish Council have recently decided to include only items relating to events, news and activities within the Parish, unless they are for sessions outside the parish which benefit the people of the parish i.e. Dementia information sessions held by the NHS, and not to include items which are for commercial/business benefit.

If you feel you have an interesting news item which could be included in the newsletter, please do not hesitate to contact the Clerk, who produces the newsletter (details on back page).

The Newsletter came about as a direct response from the Parish Plan questionnaire and is proving to be a popular bi-monthly publication. Thanks go to the School, Children’s Centre, Spar Shop, Medical Centre, Visitor Centre, and Londis for their help with the distribution of the newsletter and to all those groups who regularly provide news items to be included.
