Public Convenience Review

Recent information from Cornwall Council has indicated that their Public Convenience Review has been put on hold for 12 months. Cornwall Council had confirmed that they would no longer fund the provision of public conveniences at the Visitor Centre and Bossiney and that they would offer a grant to the Parish Council to continue the cleaning and maintenance of the facilities at Trevena Square and Trebarwith Strand should they wish to consider this option. It appears that the feedback Cornwall Council has received from Parish and Town Councils, ratepayers and local members has given this matter a reprieve, albeit a temporary one. The Parish Council will be meeting with representatives from Cornwall Council in the New Year to discuss future proposals for the service.

Tintagel Visitor Centre

The Parish Council are still considering its future interest in the Visitor Centre. Many questions have been asked of Cornwall Council to ensure that the service the Parish Council may be able to provide, should it proceed with lease or purchase of the Centre, is the right one for all concerned. A recent newsletter from Cornwall Council on the subject of "Localism and Devolution" has prompted the Parish Council to request a further face to face meeting with Cabinet Members to discuss the matter.

**THE CHAIRMAN, PARISH COUNCILLORS AND CLERK OF
TINTAGEL PARISH COUNCIL WOULD LIKE TO TAKE THIS
OPPORTUNITY TO WISH ALL PARISHIONERS A VERY MERRY
CHRISTMAS AND A HEALTHY AND PROSPEROUS NEW YEAR.**

Contact details for all members and the Clerk are on the back page of this Newsletter.
The dates for the next meetings are as follows:-

Wednesday 7th December, 7.00 p.m. at Tintagel Social Hall
Wednesday 4th January 2012, 7.00 p.m. at Tintagel Social Hall
Wednesday 1st February 2012, 7.00 p.m. at Tintagel Social Hall

Could you be a Parish Councillor?

Tintagel Parish Council currently has two vacancies for co-option to the Parish Council. As a councillor you can become a voice for your community and you need to have the concerns and best interests of the parish as a whole at heart. Councillors are community leaders and should represent the aspirations of the public that they serve.

Parish Councils are the most local part of our democratic system and are closest to the public. Why don't you stand for your local parish council and see what difference you can make to your local community? The people who make up parish councils give their time and expertise for nothing – their only reward is to bring improvements to their communities, often in the face of difficult circumstances.

Many parish councils in rural areas struggle to keep their numbers up, yet being a member can be immensely rewarding, as any past or present parish councillors will tell you. There is no lack of talented people in all communities and it would be a tremendous boost to our parish council to be joined by a few of their number.

The skills and qualities required of a Parish Councillor are someone who is approachable; who listens; who understands the situation for the benefit of the Parish; who can discern and make objective decisions; who can work with and encourage others in the village; and who can work together as a Council with a collective agreement even at the expense of personal interests.

The Parish Council meets once a month, in the evening, on the first Wednesday of the month (no meeting in August). There are additional meetings throughout the year depending on urgent business, planning application deadlines, special events in the village and an Annual General Meeting.

Am I qualified?

Most people are. However there are a few basic rules. You have to be:
a British citizen, or a citizen of the Commonwealth or the European Union, and
18 years or older on the day you become nominated for election, and
live or work in or near the parish.

Interested ? - Applications should be made in writing to the Clerk at the address on the back of this newsletter no later than noon on Friday 23rd December 2011. Applicants will be invited to meet with the Parish Council on Wednesday 4th January 2012. If you require any further information regarding qualification etc. please contact the Clerk.

Affordable Housing Development in Tintagel

COME ALONG AND HAVE YOUR SAY!

Thursday 15th December 2011

4pm – 7pm in Tintagel Social Hall

The affordability of homes is an issue across much of Cornwall, in particular in picturesque areas such as Tintagel Parish where there is a relatively high level of second home ownership, approximately 15% of all homes in the Parish.

According to Cornwall Council's Homechoice Register, there are currently 61 people with a local connection to Tintagel Parish who are looking for affordable housing to rent, to buy, or part buy.

To be eligible for affordable housing your income must be such that you cannot afford to rent or buy a property at open market prices and to apply for affordable housing, you should have a local connection to the area. This often means that you have lived or worked in the Parish for the last 3 years or that you have family ties here.

Providing affordable housing on suitable sites helps to create balanced communities. It breaths fresh life into rural villages and can help ensure local people can stay in their community whatever their age or circumstances. New affordable housing can help support local services like Post Offices, shops, pubs and schools year round.

Cornwall Council has been approached by a housing association who wants to provide 24 affordable homes for local people on land between Fosters Lane and Tintagel Primary School.

Cornwall Council would like to know your views on developing this site so please come along to the public exhibition and have your input. You may be a neighbour, local business, an interested member of the community or someone who is interested in affordable housing for yourself.

There will be a representative of the housing association to answer your questions about the proposed development and also representative from Cornwall Council to answer your questions about affordable housing.

So do please come along - we look forward to seeing you!

NEWS FROM PCSO TERRY GROVES, DEVON AND CORNWALL POLICE

Concerns from residents regarding dog fouling featured quite highly in the Tintagel Parish Plan. The subject has been raised before in Parish Newsletters but the Parish Council has been asked to feature the issue again as there are still some people who do not care enough about our beautiful parish to clean up after their dogs. If you see anyone who does not clean up after their dog, please contact either Cornwall Council (details below) or pass as much information as you can to the Parish Clerk, who will then pass the information to Cornwall Council.

Anyone concerned about the welfare of a dog or wants to report an incident or situation that involves a nuisance or danger caused by dogs should contact either the Environmental Health team on 0300 1234 212 or your local One Stop Shop.

SLATE THEFT

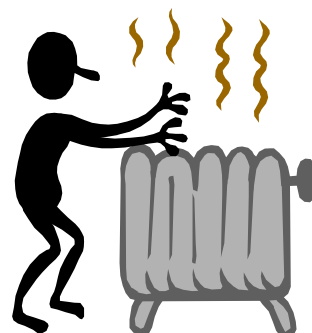

Theft of slate is starting to increase, a considerable amount was stolen recently in the Boscastle area, if anyone has any information please contact PCSO Terry Groves or ring 101.

DOMESTIC OIL GROUP

By the time you read this the latest group oil order will have been placed. What the saving will have been it is not possible to say but the last time we saved between 4p and 5p a litre which is well worth saving. The more people use the scheme the greater the bargaining power I am able to use when negotiating with the oil companies. The next orders will be needed so that an order can be placed on 18th February 2012. To place an order contact John on 01840 770500. It costs you nothing but can save you money.

Tintagel Surf Life Saving Club

The end of the summer but certainly not the end of the fun as the Club have had a host of activities in recent weeks. The Nippers invited friends and families to join them for a Fun Competition on the beach at the end of the season, from Chariot Races and Flags to Tug of War there was keen competition from all ages, followed by a barbeque at the Club House.

The fun day gave the Nippers some practice for the local Inter Club Fun Day which was hosted this year by Crackington Haven Surf Life Saving Club. Sun cream was slapped on as we had one of the hottest days of the summer (at the end of September!) and the Nippers had great fun with all the beach and water competitions.

One of the highlights of the year is our Nipper Night Hike, and this year was no exception. On our planned date Roughtor was shrouded in fog so a disappointed gang of Nippers (and helpers) in Halloween fancy dress consoled themselves with a few game in the drizzle at base camp followed by cake and hot drinks. Luckily, by the next weekend the fog gave way to glorious clear skies and 4 teams of keen Nippers completed a range of tasks including Mummy making, bridge and shelter building and code breaking, that took them to the top of Roughtor and back. Some excellent team work from the Nippers, with prizes given for the winning team.

The Juniors and Seniors had a team event with a Paintball Game at St Teath - it seems that the bruises and aches were fairly shared amongst the group. Further winter training activities are planned for the Juniors on Sunday mornings.

Winter training is now taking place at the Camelford Sports centre on Friday evenings from 7-8pm.

Representatives from Tintagel Surf Life Saving Club who attended the recent Remembrance Service

I spent the morning of Thursday 17th November at County Hall debating the Cornish Stadium, and to my mind it is not a stadium for Cornwall but a stadium for mid and west Cornwall to accommodate Truro City Football Club and the Pirates Rugby Team. The application consisted of a proposed 10,000 seater stadium and a 120 bed new hotel with very limited parking facilities. Into the future there are plans for a massive housing estate in this area and there will just have to be new roads constructed as the stadium parking would be very restricted with the roads not suitable, leading to tremendous pressure on the A390 as it is. The park and ride would be the main source of parking for this new stadium. It was approved 14 votes to 4 and I must admit I voted against it as this Cornish stadium was just not in the right position and should surely have been in an area from Fraddon across to Roche in mid Cornwall to accommodate the north of the county who I suspect will still look to Plymouth or over the Devon border for any of their big sporting and entertainment events. It just did not cater for the people from Bude to Launceston and across to Callington and Saltash. Some people will argue that many of these people will go in another direction because of distance. This new stadium will have permission for only a few other non sporting events per annum and to me there has been no planning even considered for athletics, swimming and other sports.

If I can be of any help please contact me on 01840 770302.

NEWS FROM TINTAGEL PRIMARY SCHOOL

This term the school has been very busy! Children have been engrossed in their topic work: Class 1 has been thinking about festivals and special times, Class 2 Knights and Castles, Class 3 Mexico and the Aztecs, and Class 4 World War 2. Children have been out on various educational visits around Tintagel and the wider local area. We are now in the very early stages of beginning to think about Christmas with all the excitement that brings!

Children in Need

Last week on Thursday 17th November, the School Council organised a Jumble and Cake Sale to raise money for Children in Need. The proceeds of the sale were £177.63, but we are still awaiting further donations. £25.00 has been raised by The Woottons also for Children in Need and this will be added to the School's total. We are very proud of our children and would like to take this opportunity to thank all parents and friends for supporting this venture by providing cakes and items to sell and coming into and buying!

Tintagel Sea Angling Club Newsletter – November 2011

tintagelsac@tiscali.co.uk

Sea temperatures have started to fall but are still relatively high at 14°C at the time of writing (mid November), which means we can still expect some sport with the lures.

The usual autumn / winter species are present and whiting codling, coalfish and flounder are all being recorded. Shore fishing during September and October was good as normal with some better fish being caught.

Fish of the month winner in September was Ian Young with a Pollack of 8lb 10 3/8 Ozs. Congratulations go to vice president Gary Boyde who won the CADSAC open with an exceptional shore caught smoothound of 8lb 4 ½ Ozs, (207%). Nigel Rundle also claimed two prizes for best pollack and best unclassified with a pollack of 3lb 5 ½ Ozs (84%) and a shore rockling of 95.5%. The St Columb bass festival was extremely well attended with over 200 entrants and club members Derek Nute and Ian Young were among the prizewinners claiming 5th and 7th place respectively. A collaboration flounder competition fished on Sunday November 13th at the Camel estuary was well attended and narrowly won by Garry Boyde with a fish of 2lb 2ozs, (106%) 2nd place went to Derek Nute with a fish of 2lb 1 ½ Ozs (105%) and third place went to Rob Harper of CADSAC. The various annual club awards are being eagerly contested with only a few weeks to go until the end of the year.

The efforts of Hugh Fearnley-Whittingstall with his "Fish Fight" go on and over 766,000 people have now signed up. It would be great to get to the million mark so tell your friends and get them to sign up at <http://www.fishfight.net/>

Forthcoming events during December and January include:

The collaboration Christmas competition that runs during the whole month of December and also the CFSA Christmas competition run on the weekend of the 17th / 18th.

Tintagel SAC will hold their annual general meeting on Tuesday 10th January 2012 at the Wootons Hotel, Tintagel at 7.30pm and would welcome new members for the new season.

The big tides in December are on the 26th with the full moon on the 10th and the new moon on the 24th. In January, the full moon is on the 9th and the new moon is on the 23rd.

The next general meeting will be held on Tuesday 1st December at the Wootons Hotel at 7.30pm.

Good luck and be safe, Nigel

TINTAGEL MEMORIAL PLAYING FIELDS ASSOCIATION

The last few weeks have been relatively quiet for the Playing Fields Association. We have spent the quiet period on various improvements. The vandalised speed limit notices have been replaced with more robust versions and others have been placed in the childrens' play area.

Repairing and replacing vandalised property is a constant drain on the Association's very limited resources. We manage to keep down the cost of repairing vandalised property by having volunteers who help by giving their time to maintain the area but they are often demoralised by the sheer mindlessness of the perpetrators of the vandalism.

I, personally, would like to thank those who give their time so selflessly and generously to the Association because we would be hard pressed to keep going without their help. I think it is worthy of mention that one person in particular has given his time over the years with little recognition. He has acted as mentor, facilitator and general maintainer of the grounds for a very long time and has taken his responsibility as a long standing Trustee of the Tintagel Memorial Playing Fields very seriously indeed. He is David Littlejohns. Thank you, David, for all your help and support over the years.

The Trustees of the Tintagel Memorial Playing Fields Association are currently as follows:

R P Hasbrig-Hartley	Chair
S Brown	Secretary
Dr G Keenan	Treasurer
G Owen	
D Littlejohns	
C Savage	

Various Sports Club representatives and other members of the public are co-opted to attend occasional meetings to explain specific matters on an ad hoc basis but have no power to vote. Meetings open to the public are held quarterly. All meetings are on the first Wednesday of the month. A representative of the Parish Council is always welcome to attend as a spectator/advisor.

Royal National Lifeboat Institution

Thank you from the Boscastle & District Branch of the RNLI fund raising committee.

Nearly all the shops pubs and hotels in the area we cover - Camelford, Boscastle & Tintagel, have a collecting box, all of which are emptied regularly. In addition Bowood Golf club named the RNLI and the Air Ambulance as their chosen charities for 2011 .

Camelford Conservative Club also arranged a Charity Auction and nominated the RNLI as one of its charities.

As you know this year has been very busy for Lifeguards and lifeboats and without this steady flow of income they would not be able to carry on this good work. Please keep on helping and put your small change in the collecting boxes.

We have a quantity of RNLI Christmas Cards at reduced prices available – please contact Lin Spurdens @ Fairseat, Bossiney Road.

Her Majesty the Queen's Diamond Jubilee Celebrations

Anyone interested in helping to arrange the celebrations – please contact Joyce Brown on 770671 by 1st January 2012.

TINTAGEL ORPHEUS MALE VOICE CHOIR

Tintagel Orpheus Male Voice Choir have had a very successful year culminating in a splendid Gala concert which raised a good amount for the Choir's charity chest and £500.00 for the Phoenix Stroke Appeal which was presented at the concert.

*“The Choir wish everyone a Very Happy Christmas
and all best wishes for the New Year”*

FLYPOSTING AND GRAFFITI

Flyposting and graffiti are illegal, spoil both public and private property and can be very costly to remove.

Graffiti and flyposting are both criminal offences carrying large fines given out by a magistrate, or up to £80 fixed penalty notice issued by the local authority or police. If you see any one doing graffiti or flyposting, you should report it to Cornwall Council using the details on their website www.cornwall.gov.uk , or to the police.

Graffiti or flyposting cannot be removed from private households and other private property without the owner's permission.

Flyposting

Flyposting is the unauthorised placing of advertising - usually posters or stickers.

Flyposters usually advertise or promote events and are placed without permission of the owner of the property and can take the form of stickers, signs or posters. Cornwall Council takes flyposting seriously - when you report flyposting, the Council will make enquiries into the source of the advertisements and take action if possible.

If you wish to report an incident of flyposting, please contact Environmental Management at Cornwall Council.

Graffiti

Graffiti are words or drawings, that are written, painted, sprayed or scratched on the surface of any property.

Cornwall Council are responsible for removing graffiti from public buildings, street furniture or monuments as well as removing flyposted material.

Other items such as telephone boxes, bus shelters and electricity boxes are the responsibility of the company that owns them.

However, Cornwall Council have a power to issue a 'defacement removal notice' to the property owner, which requires them to remove the graffiti or flyposting within 28 days. If they fail to do so, Cornwall Council can do the work ourselves and recover the costs.

If you wish to report graffiti, please use the [online graffiti reporting form](#) at www.cornwall.gov.uk or contact Environmental Management at Cornwall Council.

TINTAGEL GARDEN CLUB

On 8th October members enjoyed a social evening at Trethorne Leisure Park; a delicious roast, with all the trimmings, followed by a noisy session at the bowling allies where much luck and little skill were on display. The dodgem cars, a new addition, took some of us back 50 years and highlighted some disgraceful driving abilities.

Also in October, Peter Lavis from the Lost Gardens of Heligan gave a most interesting talk about the gardeners, and their families, who left to serve in the forces during the First World War; in 1914 the house at Heligan became a convalescent home for the Royal Flying corps.

Only four gardeners survived out of the ten who left for active service in France; two were laid to rest locally, four were never recovered from the mud of the battle fields – their headstones are among the thousands in the vast fields of remembrance in France. The photographs, memorabilia and their individual stories gave a moving and vivid reminder of how much we owe that generation for the lives we enjoy today.

In November George Kestle gave an entertaining talk covering winter interest in the garden – colour slides illustrated the wide variety of plans and combinations to provide visual impact from October to May. George is a passionate plans man with a real sense of fun; he works tirelessly mainly for the benefit of others, and is always a valued speaker to the many garden clubs he visits.

Our next meeting: 21st January (Saturday) – AGM and dinner

Treknow Rainbows

Rainbows is part of Girlguiding UK for girls aged 5 – 7 years old.

It is an after school group that meets locally, once a week, during term time.

At the age of 7 girls have the opportunity to go on to Brownies and then Guides.

Rainbows have the chance to do lots of exciting things, but most of all have lots of fun.

If you are interested in your daughter joining or for more details, please contact either:

Or Katherine Short – 01840 779262

Royal British Legion, Tintagel Branch

The Royal British Legion would like to thank everybody who turned out for the recent Remembrance events. The Two Minutes Silence was well attended despite the rain. Once again the children from the Primary School came to the village where they behaved themselves with dignity, they are a great credit to the school. Who says the young ones of today are not well behaved. Thank you children.

The Remembrance service at St. Paul's was very successful with a full church followed by the laying of the wreaths at the Cenotaph on the cliff. There was a really strong wind blowing which meant that when the wreaths were laid they were in great danger of blowing away until it was possible to secure them. Thanks are expressed to all the organisations that laid wreaths. It is most important that we all remember the reason for the day. It is not only to remember those that have passed away many years ago but also those members of the armed forces who have given their lives since the last war and also those who are currently engaged in combat, Let us not Forget.

If there is anyone who is interested in joining the Royal British Legion the next meeting is on Monday 9th January 2012 at 7.30 p.m. in the Cornishman, Tintagel. You do not have to have been an ex-service member to join the Legion but persons are needed in order that the Legion can keep going in the village as numbers are gradually fading primarily due to age. So any young people out there, come along and join us.

John Stratton

Remembrance Day

My Remembrance Day started with the joint service for all faiths in the Catholic Church of St. Paul's, Tintagel. The church itself simply bursting with people of all ages; a wonderful feeling, a common bond, the sharing of personal sorrows both past and present.

The British Legion, providers of support to so many people, displayed as usual their professionalism, the standard bearer in particular. Their medals glinting in the light seated at the back of the church, listening to the gentle spiritual tones of Father Storey, the melodious words from John Barfoot and the clear concise message from Glenton Brown. I realised, as with sunshine, a warm secure feeling of unity and belief spread over the congregation. One large family joined by common grief and prayer.
