Councillors: Mary Dyer 770472, David Hodge 770064,

Martin Smith 770662, Terry Dangar 770870, Thelma Dorman 770716,

Steve Dray 779020, Paul Heath 770203, George Menhenick 770687

# TINTAGEL PARISH COUNCIL

NEWSLETTER

FEBRUARY 2010

## PARISH NEWSLETTER – CAN YOU HELP?

In October 2009 all households in the Parish received a copy of the Tintagel Parish Plan. As part of the ongoing process, the Parish Council is commencing action on items raised in the plan, one of which was “Communication”. Many residents felt a Parish Newsletter would be of benefit.

To make this a successful and interesting publication, assistance is needed to write articles, provide photos, local information etc. 52 people stated on the Parish Plan questionnaire that they would be willing to help contribute to a newsletter – please contact the Clerk now if you are still interested!

*It is hoped to publish a further Newsletter during early April so if you have any contributions which you would like to be included please contact Sue Moth, Parish Clerk, by 31<sup>st</sup> March 2010.*

## POST OFFICE CLOSURE

Most parishioners will already be aware that with the retirement of the postmaster, Mick Goward, the Post Office in Bossiney Road is to close on the 27<sup>th</sup> February. The Post Office is in talks with at least two other businesses in the Parish to provide Post Office services in the future. It is hoped that there will be no period of closure as Mr. Goward's daughter has offered to run a reduced service for an additional month. Latest news from the Post Office has indicated that it is hoped services will be open in the new location from 6<sup>th</sup> April.

## TREVENA SQUARE

The Parish Council have recently acquired the strip of land adjacent to the Square with a view to improving safety and vehicle access to the Square. It was suggested that a Public Meeting be held to discuss all future plans for the Square and this will form part of the Annual Public Parish Meeting to be held in early May.

The Parish Council have agreed with Cornwall Council for the car park at Trevena Square to form part of their Parking Places Order effective from 1<sup>st</sup> April. This will mean that the area can be patrolled by civil parking enforcement officers and Fixed Penalty notices issued to vehicle owners who do not adhere to the car park restrictions. **PLEASE ENSURE THAT YOU HAVE A VALID PERMIT FOR YOUR CAR AND THAT YOUR CAR REGISTRATION NUMBER IS CLEARLY VISIBLE.** It is appreciated that some permits have faded. You may re-write your registration number on the permit as long as it is the same registration number for which the permit was obtained as a list will be provided to Cornwall Council of all valid permits.

## TINTAGEL PRIMARY SCHOOL – HELP FOR HAITI

The School recently held a non-school uniform day to raise funds for vital help for Haiti. A fantastic sum of £205 was raised. Well done to all staff, pupils and parents for this splendid fund raising day.

## DOG FOULING

### ARE YOU CONCERNED ABOUT THE AMOUNT OF DOG MESS LEFT ON OUR ROADS, PAVEMENTS AND FOOTPATHS BY IRRESPONSIBLE DOG OWNERS?

An issue which received a lot of comments on the Tintagel Parish Plan was Dog Fouling. Unfortunately, although there are many responsible dog owners in the Parish, there are also many *irresponsible* dog owners. Did you know that both Cornwall Council Street Wardens and the local Police Community Support Officers can issue Fixed Penalty Notices to people who do not clean up after their dogs.

**THE CORNWALL COUNCIL DOG WARDEN WILL BE ATTENDING THE NEXT MEETING OF TINTAGEL PARISH COUNCIL ON WEDNESDAY 3<sup>RD</sup> MARCH 2010 AT 7.00 P.M. AT THE SOCIAL HALL, TINTAGEL – ANYONE IS WELCOME TO ATTEND AND LISTEN TO WHAT HE HAS TO SAY TO HELP US RESOLVE THE MATTER AND TO AIR THEIR VIEWS.**

**PLEASE COME ALONG AND OFFER YOUR SUPPORT TO ALLEVIATE THIS PROBLEM NOW.**

**Would you be prepared to stand as a witness in court?**

If so, if you see someone who does not clean up after their dog and you know their name and address, you should contact Debbie Attwell, Cornwall Council Street Ranger on 07768 775928. The more information you can give the better and if you can take photographs this would assist in the prosecution. She can issue a Fixed Penalty Notice to the person concerned. If the Fixed Penalty Notice is not paid, the case will go to court as long as you are prepared to act as a witness. Dog Fouling is a big problem in the Parish – You can help now by giving the name and address of offenders and your name and address to Debbie Attwell or alternatively to the Parish Clerk, Sue Moth on 01840 770022 or email [moth.sct@btinternet.com](mailto:moth.sct@btinternet.com).

### A MESSAGE FROM TERRY GROVES ABOUT DOG FOULING

I would just like to say hello and to make people more aware of the Clean Neighbourhood and Environment Act 2005

We have now been given the authority to issue tickets for dog fouling.

The areas this covers is as follows

- all carriageways with a speed limit of 40mph or less
- all footpaths, verges and land adjacent to carriageways with a speed limit of 40 mph or less.
- all parks and playing fields, children's playgrounds and play areas, public and ornamental gardens, housing and public amenity areas
- all beaches in public and private ownership which includes the foreshore between low and high water and land described as beach above the high water mark.
- all car parks, parking areas or land used for parking of vehicles.
- all public footpaths and land adjacent to public footpaths to which the public have access
- all pedestrianised areas including shopping precincts.

As caring dog owners you should be aware that leaving your dog mess either where it lays or even leaving the bag you pick it up in on the ground is unsightly and potentially dangerous to children.

There are bins provided.

Having no bags is no excuse

Please follow the above rules so we can all walk the footpaths and grass land without fear of what we might be treading in. **Terry Groves, PCSO, Camelford Police Station**

## TINTAGEL CRICKET CLUB

### – CRICKET FORCE

With an eye on the future, Tintagel Cricket Club are to participate in the ECB Natwest Cricket Force In 2010.

Sponsored by Natwest, Cricket Force started in 2005 with just two Clubs taking part in 2009 over 1500 Clubs, throughout the UK, participated over one weekend. In 2010 this weekend will be March 26th to 28th. It is now the largest community led sporting "get together" in the country, with many national companies offering participating Clubs substantial discounts on both goods and services.

The overall vision is to encourage local communities to become more involved in both the Playing and Social sides of their local Club. Monitoring the occasion over the four years of its existence has shown that amongst the volunteers have been many who have no particular Interest In cricket, but have been only too willing to give of their, time and skills to maintain and improve all of their local Clubs facilities. Many parents have brought their children along to encourage them to join in and enjoy playing sport. Local business people have also been very generous in giving of their time, goods, advertising In Clubs Fixture Cards or on the Ground itself and also, importantly, offering sponsorship.

Over the past five years Tintagel Cricket Club has made great strides in Improving both their Cricket Square and Outfield, to provide pitches which help to create a good standard of cricket and encourage the players to improve their skills. The Clubs next plan is to improve the Pavilion and its surrounding areas for both Playing and Social Members. We are hoping to take advantage of Cricket Force to re-decorate, both internally and externally, improve our changing rooms, our internal lighting and generally to provide a Pavilion we can be

proud of. Whilst there is The National Cricket Fence weekend, the projects are ongoing throughout the year, and, in the future, we are planning to extend The Pavilion, to provide new changing rooms, better facilities for the disabled and further modernisation.

Included In our plans for the future Is the possibility of providing for Ladies Cricket in North Cornwall. Ladies Cricket Is a fast growing sport, by providing the right facilities we can be part of this. The future of the Club depends on the children and young adults of today, of both sexes, and we want to encourage this. With this In mind some Club Members are qualifying as ECB Approved Coaches and will be offering coaching at The Club and visiting Local Schools to offer regular coaching throughout the summer.

How can you help? We Invite all within the local area to offer their help and support; we do already have local volunteers who have offered their time and skills, but whatever your skills be it practical or managerial, we will welcome it. We will be advertising locally giving the dates and names of contacts, please look out for these, for those kind enough to help on the last weekend in March we will make sure you receive refreshments. At this time we are designating Sunday March 28th as our main day, when our workforce will be enlarged by members of Tintagel Football Club and Camelford Rugby Club, but, if you can only turn out on Saturday 27<sup>th</sup>, we shall be pleased to see you.

Community spirit is becoming more important in this constantly changing world and by showing that spirit with our local community, those wanting to encourage the present and next generation of both the playing and social side of sport can benefit now and secure the future of our sporting facilities.
