## **TINTAGEL ROYAL BRITISH LEGION**

Tintagel Royal British Legion is pleased to announce that a Memorial Stone is being erected in Trevena Square. The unveiling and the dedication of the Memorial will take place on Saturday 31<sup>st</sup> July at 12.00 noon. The stone is not taking the place of the War Memorial which is situated at the Church but is to remind locals and visitors alike that people from the Parish have given their lives for their country. It is hoped that as many people as possible will attend to remember the men of the Parish.

## **TINTAGEL SEA ANGLING CLUB - JULY 2010**

The weather has finally warmed up, the sea is now at 16C and everything has started to move. Most of the summer species have arrived and are being caught although the mackerel shoals appear to be very sporadic from both the boat and shore. Codling normally associated with winter fishing are being caught in numbers from all around the County.

Jellyfish are also incredibly abundant this year with blue and lions mane being spotted in huge numbers. They are causing some problems to sea goers with people being stung when swimming, diving, hauling pots and pulling in anchor lines.

The May fish of the month competition was won by David Gibson with a shore rockling over 100% and the June bass competition was won by Derek Nute with a fish of 6lb 4ozs. The collaboration match produced some good fish including a specimen wrasse, dogfish and some good gilthead bream.

Forthcoming events during the month include a mullet competition, collaboration match and the club boat competition. The big tides in July are on the 13<sup>th</sup> and 14<sup>th</sup> with the new moon on the 11<sup>th</sup> and the full moon on the 26<sup>th</sup>. The next general meeting will be held on the 3<sup>rd</sup> August at the Wootons Hotel at 7.30pm.

Good luck, Nigel.

## **TINTAGELWEB WEBSITE**

Tintagel Parish Council is able to publish its Draft Minutes on a regular basis on [www.tintagelweb.co.uk](http://www.tintagelweb.co.uk) and is grateful to Mr. David Flower for allowing such publication. Draft Minutes are normally available to view on the website from the Wednesday following the previous weeks' meeting.

The website is viewed by people all over the world and includes a wealth of information including local news and events, local sport, places to stay, photographs (old and new), weather and links to other useful websites.

### **An extract from an email received by David Flower via his website:-**

*I, my brother, and two other Londoners, were billeted with the Flew family during the war and for two years 1940/42, shared the same house with Derek and Denzil Flew. The article on Denzil brought back some very happy memories. I believe that, although only two years, my stay in Cornwall and the kindness of Beatrice and Charles Flew had a profound effect [to the good] on the rest of my life. If any of my reminiscences can be of use to anyone I would gladly provide them.*

*If you have any contact with Denzil please tell him that I am happily married and in good health. Sadly brother Bill died some years back.*

*If you have any contacts with any Tintagel evacuees could you please, with their consent pass them on to me?*

## **Waste and recycling Collections in and around Tintagel**

### **A REMINDER FROM CORNWALL COUNCIL'S WASTE MANAGEMENT SECTION.....**

We have been aware for some time that there are issues, particularly during the holiday season, with waste collections in Tintagel. In many instances, this waste is not being adequately contained and/or covered and is being placed out for collection too far in advance of collection day.

Rubbish which is left on the street, or at communal collection points for long periods of time before collection, causes a nuisance and has a detrimental impact on local environmental quality.

We aim to keep the North Cornwall area clean, safe and tidy, whilst providing an efficient, effective and customer focused service.

Under Section 46 of the Environmental Protection Act 1990 it is an offence for a householder to present their waste incorrectly, i.e. place it out for collection too soon or too late, place it at a point that is not an agreed collection point or using an inadequate receptacle.

Householders, holiday home agents and owners, and business owners all have a duty to under Section 34 of the Environmental Protection Act 1990 to, 'prevent the escape of waste from your control or that of any other person'.

This means that the property owner/occupier is responsible for the waste produced at the property up until the time it is collected by the council. Between collections property owners/occupiers must ensure that waste is stored on that specific property and at all times, including when it is presented for collection, it is adequately protected from attack by gulls and other scavenging animals.

If you are experiencing problems in storing your waste or recycling, or need advice on how best to manage your waste, please contact the Waste Management team on 01208 262811 or email [refuseandrecycling@cornwall.gov.uk](mailto:refuseandrecycling@cornwall.gov.uk)

## **Boscastle, Bossiney and Tintagel Waste Water Treatment Scheme Update**

### **July 2010**

South West Water with Bam Nuttall, Nomenca and Pell Frischmann are pleased to announce that the treatment works is now fully operational and discharging treated effluent. This is the first time that there has been a comprehensive waste water treatment facility in this part of North Cornwall. The last few weeks have seen a lot of activity whilst the final commissioning and completion of the Boscastle, Bossiney and Tintagel waste water treatment scheme has taken place.

Flows are now being collected and pumped for treatment from the following pumping stations:

Boscastle Harbour – flows collected from the centre of Boscastle

Boscastle New Road – flows from Boscastle Harbour pumping station and gravity flows from the Forrabury area of Boscastle

Boscastle Forrabury – this transfers all of the Boscastle flows to the new treatment works

Tintagel Castle Road – flows collected from Tintagel

Bossiney Back Lane – flows collected from Bossiney and those pumped from Tintagel Castle Road

The slight delay in turning on the pumping station at Tintagel Haven is due to the power supply and it expected to be resolved and operational by early August 2010.

**South West Water and its partners wish to thank the Construction Liaison Group members and local residents for their patience and co-operation whilst these essential works have been carried out.**

# TINTAGEL PARISH COUNCIL NEWS

## TREVENA SQUARE PARKING PERMITS

As has been previously reported, Cornwall Council has taken over responsibility for checking that only permit holders are using the car park at Trevena Square and many car owners have already been issued with fines, either because valid permits are not displayed,

the time permitted has been exceeded or because they do not qualify for a parking permit. It should be stressed that Trevena Square, the adjacent car park and nature area are STILL owned by the Parish Council. Please check that your parking permit is displayed at all times when using the car park, or any of the spaces allocated for Permit Holders in the Visitor Centre car park. If the number has faded on your permit and the vehicle is the same for which the permit was issued, please write it back in. If you require a new permit, please complete and return the copy of the application card below to the Clerk with a stamped addressed envelope, in order to obtain a new one.

### Hanging Baskets

The Parish Council have recently erected their hanging baskets on poles in Fore Street and Bossiney Road. The quality of the plants this year is particularly high and the baskets provide a beautiful display of colourful flowers throughout the summer months. John Brown, the Parish Council's handyman has been working very hard to keep them watered and has also spent a lot of time and effort in making Trevena Square look attractive for parishioners and visitors alike, with planting around the trees and in the planted areas.

## **Camelford Community Network**

Tintagel Parish Councillors have been attending meetings as part of the Camelford Community Network. Parishes are invited to raise issues which they feel need attention within their parish and which, with the backing of other parishes, will form a Priority and Local Operational Issues list which it is hoped will receive attention from Cornwall Council. Councillors Heath and Wickett attended the last meeting and it was agreed that the priorities at the moment are Highways, Planning, Health, Young People, Affordable Housing and Sustainable Communities. Representatives from appropriate Departments within Cornwall Council will be attending the meetings over the coming months.

## **Verge and hedge cutting**

The Parish Council have been working with Cornwall Council over recent weeks to ensure that the verges and hedgerows are cut and trimmed as appropriate. PCSO Terry Groves has also been in contact with Cornwall Council where overgrowing verges and hedges have presented a hazard to drivers and pedestrians.

## **Glebe Cliff**

The Council was contacted some months ago by the National Trust with regard to a possible grazing scheme at Glebe Cliff. Councillors held an informal meeting with Trust members in the Autumn of 2009 and agreed to discuss the matter further when firm proposals were received from the Trust. Following recent articles in the local press on this issue, the National Trust have sent a further letter to the Parish Council. The letter stresses that the

proposals outlined previously were by no means firm or final and the Trust are very much aware that Glebe Cliff is a site that is cherished by local people and others and one with a sensitive history. With this in mind the Trust have stressed that they have no intention of pushing through any scheme that does not have support within the community and it was for that reason that they contacted the Parish Council originally. The Trust are willing to take on board the views of all those with an interest in the site which could result in a change to or even withdrawal of the scheme.

The reason for the proposal was to try and halt the decline in the variety of wild flower species and general wildlife interest on the cliffs which has some about following the loss of grazing years ago and the subsequent gradual spread of more aggressive shrub and grass species such as gorse and cocksfoot grass which are competing with and smothering many of the lower growing flowering plants. Re-introduction of limited grazing would reverse this trend and allow the rich variety of flowers to be restored over time. The Trust certainly do not want to restrict public access to the area.

The Parish Council have agreed to arrange a further meeting with the National Trust to discuss this sensitive issue further.

## REPORT FROM PCSO TERRY GROVES

Below is a copy of a pact card which can be used if you have any problems you would like to raise with the local police. Please cut it out, fill it in and send it to either the Parish Clerk or Camelford Police Station.

Fuel theft from oil tanks is on the increase, though mainly in Delabole at the moment.

**Dog Awareness Day will be on the 24<sup>th</sup> July at Glebe Cliff from 10.00 a.m. – 1.00 p.m. and then at Trevena Square from approx. 1.00 – 3.00 p.m.** We are hoping for the dog warden to be there, there will also be a big display van which will be giving out freebies and information. I will be there and Julie Downton from Neighbourhood Watch , plus my Sergeant, this is subject to weather.

*PCSO Terry Groves*

## TINTAGEL FOOTBALL CLUB

Tintagel Football Club had their Annual Dinner at Bossiney House Hotel in mid-May. Chairman Andrew Cook thanked everybody in the club for their hard work throughout the season and made a special thank you to the tea girls. Jock Anderson, Team Manager, thanked the players for their efforts and for finishing fourth in the league and having a good season.

Ex-Secretary and player Malcolm Dawe made the following presentations:-

President's Player of the Year - Ryan Holland

Manager's Player of the Year - Jimi Siford

Top Goal Scorer - Adam Price

Young Player - Matt Jolliffe

Most Improved Player - Lewis Jones

Clubman of the Year - Jock Anderson

A Special Award went to Pam Lyons for being Treasurer for over 20 years.

Thank you Pam for your hard work.

Any player who would like to play for the club should contact Jock Anderson on 01840 770843 or Andrew Cook on 01840 770416. Training is on Monday nights at the football field at 7.00 p.m. and in the winter at Sir James Smiths School under floodlights.

Don't forget Bingo every third Wednesday of the month at the Social Hall, start at 7.30 p.m.

Any new helpers would be welcome next season, when Tintagel will be playing in Division Three of the Duchy League.

Dave Littlejohns

## **TINTAGEL CARNIVAL**

Carnival time has come around once again. This year's carnival is being held on Saturday 7<sup>th</sup> August starting from Bossiney at 7.00 p.m. For the past few months the Committee have been busy putting together a programme of events to be held during carnival week. Our charity support this year will be for Tintagel Age Concern – a very worthwhile cause.

The week starts with the popular **Wheelbarrow Race** on **Saturday 31<sup>st</sup> July at 7.30 p.m.** from the Village Square.

**Sunday 1<sup>st</sup> August** we present the **Four Lanes Male Voice Choir at Tintagel Methodist Church** at 7.30 p.m. The choir marks 65 years of singing for one and all. At the Cornwall International Male Choral Festival in 2009 a panel of international adjudicators placed Four Lanes first in Large Choir Class and awarded it the Silver cup for Best United Kingdom Choir. Silver cup for Best Cornish Village Choir and Paul Martin Shield for Best Overall Cornish Choir so we expect some wonderful singing.

**Monday 2<sup>nd</sup> August** we are holding a **coffee morning, light lunches and cream teas** in the W.I. Hall from 10.30 a.m. – 4.30 p.m.

**Tuesday 3<sup>rd</sup> August** **Music on the terrace at the Mill House Inn and Fun Auction.**

**Wednesday 4<sup>th</sup> August** a **Family Fun Night at the Mayfair Car Park.** Children's Races, Dog show, Car Boot Sale and St. Minver Band. Entries for dog show from 6.00 p.m. starting 6.30 p.m.

**Thursday 5<sup>th</sup> August** we will be holding our annual **Village Walking Treasure Hunt.**

### **Saturday 7<sup>th</sup> August – Carnival Day**

In the afternoon there will be the Pipe Fest Double Challenge, this is a Pipe and Drum Festival held on 7<sup>th</sup> August throughout the world, this year's fest will be held in Canada, Australia, Edinburgh, Hong Kong, New York and Tintagel. The bands will assemble at the green next to Gavercoombe Park (by kind permission of Tintagel Parish Council) and march through the village to the Visitor Centre. They will also partake in the Carnival in the evening. A Queen of Queens Competition takes place in the Social Hall at 4.00 p.m. and the crowning of Tintagel Queen follows.

The Carnival parade starts at 7.00 p.m. from Bossiney Field and features 4 marching bands and we hope for a lot of entries for the 15 classes along with fine weather.

As we are only a small Committee of 5 or 6 if anyone would like to join the Committee and perhaps bring some new ideas, we would be pleased to see them, as without more help there is a chance the Carnival will not be able to continue, which is a pity seeing the wonderful Carnivals we have had in the last eight years.

### **Strawmeadows Quilters**

We are a small group, started in 2001, inspired by Gladys to make a banner for the Chapel's centenary celebrations. We enjoyed making it so much and learned from each other, so it just seemed natural to carry on meeting every Tuesday. With much fun and fellowship, we have made many items for various charities.

The "girls" have shown their wonderful work at exhibitions in the Chapel, made a Welcome Banner for the front porch and a banner for Tintagel Male Voice Choir which appears with them at many venues in which they sing. More recently, we have worked with our Bossiney friends to make their Banner for their 150<sup>th</sup> celebrations.

We have loved and supported each other in sunshine and in shade. Tuesdays are important to all of us and it would be unthinkable not to be a "Tuesday Night Girl".

Contact Pauline on 770101

### **Friday Club**

Friday Club will meet in the Sunday School every other Friday from 29<sup>th</sup> October 2010. We are a small social club for the over 55's of both sexes. We meet socially for speakers, quizzes and social times. We welcome new members at any time, and would love to see you.

Contact June on 770346.

## **BOSSINEY METHODIST CHAPEL**

### **150<sup>TH</sup> ANNIVERSARY CELEBRATIONS – 20<sup>TH</sup> JUNE 2010**

The members and friends of Bossiney Chapel would like to thank everyone who joined them for their day of Celebrations.

The morning service was taken by a former Sunday School Scholar Dr. Michael Burnett. He brought back memories of when he was a child in Bossiney and the older people he remembered in the congregation. He also gave us a history of Methodism in Cornwall.

The afternoon in a Marquee next to the Chapel (in the field kindly loaned to us by Mr. & Mrs. Dickens) was entitled "A Party at the Mound" where there was entertainment for children. A clown, games, face painting and puppets etc, was enjoyed by all. About 70 attended including parents and grandparents, followed by a tea with ice cream.

The Evening was also in the Marquee with about 200 people attending (the chapel would have been bursting at the seams). Rev. Bryan Ede led the Evening Worship joined by Rev. Steve Wild (Chairman of the District) and the Callington Gospel Choir gave a concert, followed by a "Cornish Supper".

We would like to thank everyone for their help and support to make our Anniversary such a wonderful success.

## NEWS FROM COUNTY COUNCILLOR GLENTON BROWN

Some details from a recent Health Profile I received recently may be of some interest to you. The following extract from the NHS Profile states:

The health of people in Cornwall is generally better than the England average, Life expectancy for men and women is higher than average.

Rates of early deaths from cancer and from heart disease and stroke are better than the England average and have fallen over the past 10 years. The rate of new cases of malignant melanoma skin cancer is worse than the England average.

The estimated rates of smoking, healthy eating, binge drinking and obesity are similar to the England average. The estimated rate of physical activity among adults is better than average.

The death rate from smoking is better than the England average. However almost 1000 people in Cornwall die each year from smoking related diseases.

The percentage of women who smoke during pregnancy is higher than the England average with almost 1 in 5 women smoking during pregnancy.

The rate of people claiming incapacity benefits for mental illness in Cornwall is higher than the England average.

Cornwall's Strategic Partnership has four key areas for action: healthier lifestyles and reduced risks to health and well-being, resilience to future challenges, income, skills and poverty and affordable housing.

*Just a reminder that Councillors Lugg, Goodenough and myself attend a surgery on the 3<sup>rd</sup> Thursday of each month at the Camelford One Stop Shop or you can always contact me on 01840 770302*

## TINTAGEL ART GROUP

### **ART CLASS - Wednesday afternoons 1.30pm - 5.30pm at the Social Hall, Tintagel**

We are a very friendly group who all enjoy different mediums, and Wendy Parkyn our teacher is very qualified to teach them all. New members are always welcome and current members are always willing to lend brushes and paints for people to try before they commit themselves. The time is not set in concrete as people sometimes have to arrive late and leave early. Eating the homemade cakes is not compulsory either.

Come along and see us or telephone Wendy on 07732 028609.

### **ART EXHIBITION on 27th to 30th Aug at the W.I. Hall Tintagel.**

Di Studdart and Sue Whitnall will be having an Art Exhibition of their work at the W.I. Hall and would love to see all their friends both old and new. A painting will be sold as usual in aid of the surf club and donation boxes will be on hand. Refreshments in the form of Cream Teas and homemade cakes will be available. Hoping to see you, Di and Sue.

### **EXHIBITION AT THE INSTITUTE. PADSTOW on 27th Sept. to 4th Oct.**

Tintagel Art Group will be exhibiting pieces of their work at the Institute, which is opposite Barclays Bank. There will be many local scenes and a corner will be devoted to animal paintings, which has been a theme for a few lessons. We had great fun doing the paintings and hope you will come along and enjoy them.

Please telephone Wendy on 07732 028609 for any further information.

## TINTAGEL PRIMARY SCHOOL

Tintagel Primary School would like to formally welcome Mr James Gichuru our visiting Head Teacher from Nyahururu Primary School, Kenya who is staying here for 2 weeks. We have formed a link with Nyahururu Primary School where the children write to each other, and learn about the similarities in our cultures.

**GOODBYE!**

On Wednesday 21<sup>st</sup> July we will be having our traditional leaver's assembly where we will not only be saying goodbye to our current Year 6 children but also to Lucy Stewart and Jo McDonough. Both Lucy and Jo are moving onto pastures new and we wish them all the best for the future.

## TINTAGEL MEMORIAL PLAYING FIELDS

Over the last few weeks, the problem of footballs being kicked into the gardens of properties adjoining the children's play area has re-emerged and indeed has got so bad that the police were called. The goal has been returned to its former position and there it should remain. The Trustees are looking into erecting another goal in a more suitable position but in the meantime please refrain from playing near the houses or the police will take further action. Whilst walking around the play area, Trustees noticed that the protective matting at the bottom of the slide had been damaged. Indeed this has been caused by deliberate vandalism rather than normal wear and tear. Repairs are expensive and we do not have monies available to keep doing them. Please can we look after the facilities provided.

*Steve Brown, Secretary*

Another problem which has come to the attention of the Trustees is the behaviour of drivers using the road in and out of the playing fields. A lot of work has gone into improving the condition and getting rid of the potholes. Unfortunately, this has led to an unwanted phenomenon – drivers using the road to hone their rally skills. Indeed a car lost control and hit a tree at the top of the road. Can we please remember that the Play Area is very busy with young children and that the gardens of homeowners in The Butts are next to the road.

The Trustees are in the process of ordering new signs but in the meantime can road users remember the basic premise "respect your neighbours" to ensure there is no repeat of the incident.

*Trustees*

## **TINTAGEL GARDEN CLUB**

This summer our outside visits were to two contrasting gardens. In June we went to Barn House Garden at Poundstock - a small garden perched on cliff tops, overlooking Bude; planted shelter belts create an ideal micro- climate, and protect a variety of shrubs and perennials from the prevailing wind and salt.

Tim Dingle, a retired dairy farmer and naturalist, has created this most interesting garden from an open field; the plants have been skilfully placed to be compatible and provide an interest of flower and foliage throughout the season.

The vegetable garden was of particular interest to some of our members - everything needed for the kitchen, with raised beds to make life easier.

Our visit ended with refreshments - delicious home -made cakes and cream teas, provided by this charming family.

In July we went to the Garden House at Buckland Monachorum, near Yelverton; a variety of contrasting, and enthralling, areas have been created in this eight-acre site by the Fortescue Trust and now managed by the National Trust.

The African garden contains wonderful displays of colour from a huge range of unusual plants; the long walk, awash with summer planting, passes through the birch wood, the Acer glade, the Rhododendron walk, the herbaceous glade and the bulb meadow - all against the spectacular backdrop of Bodmin Moor. The walled garden was, perhaps, the jewel in the crown; reminiscent of the inner courtyard of an ancient castle filled with scent and flowers from well known to unheard of exotic plants and shrubs.

The house is now an excellent restaurant with all you need - from cooling drinks to a full menu of summer dishes.

This garden will long be remembered for its beauty and tranquillity - possibly a favourite for all of us.

Our next meetings are –

Friday 17<sup>th</sup> September – For the Love of a Rose – Harry Coleclough

Saturday 9<sup>th</sup> October – Annual dinner at Trethorne Leisure Centre

Friday 15<sup>th</sup> October – A Bucket Full of Plant Material – Ken Wilcox
